

COVID rules at Stuttgart Golf Course

as of June 2, 2021

Tee times start at 7 a.m. and finish at 7 p.m.

Foursomes are presently authorized, playing 18-holes (or 9-holes).

Singles and twosomes may be paired with another golfer if demand requires.

The foursome policy is subject to change, depending on the German State mandate. Please ask when booking your tee time.

U.S ID has priority for tee-time call-in, with 2-weeks in advance to book. GCN has 5 days in advance to book, so please call at least 6 days in advance to ensure you have a tee time.

Call 07141-879151 or 07141-879150 to book your tee time.

Check-in Procedures:

1. Check off next to your name at the check-in table
2. Proceed to the range or putting green, and then to the first tee.
3. If you must pay for anything (green fees, range or carts) then pay in the pro shop before play.

Clubhouse Rules:

1. **Masks must be worn at all times while inside the building, to include the pro shop and foyer.**
2. **Masks must also be worn outside the building, from the parking lot to the driving range or first tee. Violation results in an automatic 7-day suspension.**
3. Restrooms are in the foyer, but only when the clubhouse is authorized to be open.
4. If open, enter pro shop via the putting green side of the building.
5. Locker rooms are still closed, but may open end of June if Incidenz numbers remain below 100. The entire basement area is closed.
6. Maintain proper spacing at all times and use the cones as instructed in the foyer for the restrooms – only one person in the restroom at a time.

The Golfer's Garden Restaurant is now open! Outdoor and indoor seating available, no reservation is required. Indoor seating requires full immunization or a 48-hour negative COVID test, along with sign-in for contact info.

Driving range and practice greens are open (unless being maintained). Presently there is no need to book online, just show up and sign-in on the roster.
