PRIVATE ORGANIZATIONS - REGULATION SUMMARY

POs are self-sustaining, non-Federal entities that operate on installations only with the written consent of an authorized approval authority. The membership may determine specific functions and expenditures in compliance with governing regulations.

POs are not official organizations of the U.S. Government and are not entitled to any privileges granted to non-appropriated fund activities. Neither DA nor IMCOM-Europe or USAG Stuttgart will assume any liability for PO actions and/or debts. Members may be held personally liable in accordance to applicable host nation laws. DoD personnel acting in an official capacity may neither influence nor require any PO to support specific activities.

Neither Servicemembers nor civilian employees will be assigned to work for POs as an official duty. PO members act exclusively outside the scope of any official position they occupy in the U.S. Government or its instrumentalities. POs may neither duplicate nor compete with any Army or non-appropriated fund programs.

The operation of a PO primarily as a business venture solely to obtain savings by group purchases, or to increase the wealth of the PO or its members is not permitted except for authorized investment clubs.

The following regulations establish policy, procedures, and responsibilities for the operation of POs on Department of the Army (DA) installations in IMCOM-Europe and their fundraising activities:

Army Regulation (AR) 210-22, Private Organizations on Department of the Army Installations, 22 October 2001.

Army Regulation (AR) 600-29, Fund-Raising Within the Department of the Army, 7 June 2010.

USAG Stuttgart Policy Letter #14, Private Organizations, 28 July 2021

PRIVATE ORGANIZATIONS - APPROVAL AUTHORITY

Requests from Private Organizations (POs) for approval to operate in the U.S. Army Garrison Stuttgart (USAG Stuttgart) installation must be submitted in writing according to the samples provided in this PO Handbook, AR 210-22 and AER 210-22.

In all U.S. Army Garrisons, there is one individual who has the duty of oversight for the POs in that community. In the USAG Stuttgart, the PO Coordinator is Andrea G. Stauffer who can be reached via e-mail: usarmy.stuttgart.imcom.mbx.private-org@mail.mil or sabine.stankevica2.naf@mail.mil, by phone at DSN: 596-2622 or CIV: 09641-70-596-2622.

A PO wishing to operate in the USAG Stuttgart area will normally be granted approval by the Garrison Commander for two years. Military banking privileges may be granted only after a PO has received the approval to operate. The Garrison Commander can withdraw the approval at any time should the PO fail to comply with all published requirements. Complete requests for renewal will be submitted through the PO Coordinator at least 90 days before the expiration date of the current authorization in order to provide adequate time to process the renewal packet. The PO Coordinator has been instructed not to accept any paperwork from the PO until the full packet is ready for submission. The PO will keep a copy of the entire approved packet in a permanent file for audit purposes.

If a PO does not submit the complete renewal packet at least 90 days prior to the expiration date, a late waiver request must be submitted to the Garrison Commander through the PO Coordinator. The late waiver request form is located on page 46. The waiver must specifically state why the PO was not able to meet this imposed deadline. Once the late waiver is returned, if it is approved, the PO Coordinator will begin to process the packet for approval.

If a PO does not get their Approval to Operate approved prior to their expiration date, the Garrison Commander may revoke any approved space to operate. If that happens, the PO must clear any occupied space within 14 days of notification. Any items found in spaces after 14 days will be removed and disposed of IAW DoD and Army guidelines on unclaimed property.

PRIVATE ORGANIZATIONS - PRIVILEGES AND SERVICES

Banking Privileges:

Once a PO has been approved to operate, the PO Coordinator for USAG Stuttgart will provide an authorization letter for POs to present to the bank so that a bank account at the military banking facility can be opened.

Postal Support:

Overseas Military Postal Service (MPS) may be used. POs are not authorized to mail items as Official Government Mail.

Logistical Support and Services:

May be provided in accordance with applicable regulations and at the discretion of the Garrison Commander. If desired, PO's can submit a Space Assignment Request (See Form 4) through the PO Coordinator, to the Garrison Commander, requesting to be assigned space within the Garrison for use by the PO.

Direct Coordination:

Except as authorized by PO Coordinator, POs will not coordinate directly with Garrison elements for support. POs may not accept support from a Garrison element unless approved in advance by the Garrison Commander.

PROHIBITED ACTIONS

Use of Government Resources:

Private Organizations will not use DoD Services. This includes legal, audit, transportation, official government mail, printing, information management activities, clerical, financial, copying, management and procurement services.

Alcohol:

AR 210-22, paragraph 3-1d, states, Private Organizations will not engage in the distribution or sale of alcoholic beverages at any time.

PRIVATE ORGANIZATIONS - MEMBERSHIP ELIGIBILITY

Private Organization membership is usually restricted to members of the U.S. Forces, DA civilian employees, family members (dependents or members of the household of sponsors stationed in IMCOM-Europe), and U.S. Forces contract employees or employees of organizations granted status under Article 71, 72, or 73 of the Supplementary Agreement to the NATO Status of Forces Agreement (SOFA) (collectively referred to as members with SOFA status). At least 51% of the membership of a PO must hold SOFA status.

POs must always have an active membership category.

POs must have at least four executive officers who have defined and distinctive responsibilities within the organization. The president or the vice president of the PO must have SOFA status. POs must have a treasurer who is an elected officer or who serves as a member of its governing board. The treasurer cannot also be the president or vice president of the PO. The treasurer must be an active member and must have SOFA status if the PO has an account with a military banking facility.

No person because of race, religion, color, creed, sex, age, disability, or national origin shall be unlawfully denied membership, unlawfully excluded from participation, or otherwise subjected to unlawful discrimination by any PO.

Approval by the Garrison Commander for the operation of certain POs that restrict membership to one sex, when one or more of subparagraphs (a) through (c) below apply. (Examples include women's/men's sport clubs, women's/men's civic associations, and boy/girl scouting organizations).

1. The PO's purpose is philanthropic and, by tradition, its membership has been of one sex.
2. PO's purpose is to benefit one sex and its membership is composed of that sex.
3. The PO has a specific purpose and function that restricts membership of one sex, but also has a counterpart organization with the same purpose and function.

PRIVATE ORGANIZATIONS - FILING ESSENTIALS

Each PO maintains a permanent file that contains the following documents:

1. The original approval letter to operate in an USAREUR military community or a copy of the current bi-annual renewal authorization.
2. The last four years of financial records and audit reports, including corrective audit responses.
3. Meeting minutes for the last two years.
4. A copy of AR 210-22 and AER 210-22, AR 600-29, DoD 5500.07-R and USAG Stuttgart Policy Letter #14.
5. A copy of the organization's current Constitution and Bylaws, signed by the PO President to include any amendments or revisions. The Bylaws must indicate when the PO intends to hold meetings (weekly, monthly, quarterly).
6. A copy of the organization's current fidelity bonding and general liability policy.
7. A copy of the organization's approval (MOU, Lease or License to Use USAG Stuttgart Facilities) to use real property (if applicable).
8. Standard Operating Procedures for the organization's accounting system.
9. A copy of the current bank authorization letter issued by the USAG Stuttgart.
10. A current list of officers, to include their complete addresses, private phone numbers, and private, non-DoD e-mail addresses.
11. A copy of their approval letter, signed by the Garrison Commander, authorizing the PO's right to occupy any installation space (if applicable).
12. Scouting Organizations – A current list of the adult leadership and their Youth Protection Training Certificates and a copy of DoD Instructions 1015.09, 19 January 2016.

**PRIVATE ORGANIZATIONS
FIDELITY BONDING AND GENERAL LIABILITY INSURANCE**

POs will provide proof, prior to approval or renewal, of both general liability insurance and fidelity bonding. All POs will obtain both fidelity bonding and general liability insurance, regardless of the amount of yearly income.

POs must purchase fidelity bonding from a commercial firm at their own expense. POs should bond members or employees handling significant amounts of cash for the PO. The level of fidelity bonding should be equal to the normal maximum amount of cash handled, so it is sufficient to provide full protection of assets. A copy of the fidelity bonding must be submitted to the approval authority. (AR 210-22, 3-2 (Insurance))

General liability insurance coverage must be obtained from a commercial firm and at the expense of the PO. The coverage must be adequate for protection against public liability claims, property damage claims, or other legal actions arising from PO activities. The coverage must protect from claims against PO members acting on behalf of the PO, or the operation of any equipment, apparatus, or device under the control and responsibility of the PO. A copy of the liability insurance must be submitted to the approval authority.

In those circumstances where a PO is provided either Liability or Bonding insurance by a National Organization, the proof of insurance documentation must, 1) identify by name the PO being insured, and 2) state that the PO is in "good standing" with the National Organization, and 3) provide all other insurance information that is applicable.

PRIVATE ORGANIZATIONS SPECIAL GUIDELINES FOR SCOUTING ORGANIZATIONS

As of 19 January 2016, Department of Defense Instruction (DoDI) 1015.09, clarified that Boy Scouts and Girl Scouts are approved to operate in Europe via Memorandum of Understanding (MOU) entered into pursuant to authority from DoD and EUCOM.

Qualified scouting organizations no longer will be required to submit individual articles of incorporation, written constitutions, charters, or articles of agreement to gain approval from the Garrison Commander to operate on the installation.

The IMCOM-Europe Legal Center has clarified that only the following is needed for approval to operate at the local level:

- a memorandum requesting to operate (or renew) as a PO at the local level
- an annual leadership POC list
- a copy of the biennial Scout Youth Protection Training Certificates for each leader
- Proof of liability and bonding insurance
- Request to occupy/renew space (if needed)
- and the License to Use USAG Stuttgart Facilities which will be signed by the Garrison Commander and the PO

Annual reporting requirements for scouting organizations will only include:

- Updated list of Leadership POCs
- Proof of liability and bonding insurance

Beyond these guidelines, Scouting Organizations will still be able to operate based on rules and guidelines pertained in the PO Handbook and in the Policy memo #14 signed by the Garrison Commander, which includes provisions for fundraising within the USAG Stuttgart footprint.

PRIVATE ORGANIZATIONS - ACCOUNTING INSTRUCTIONS

Private Organizations need to maintain adequate, accurate accounting records on assets, liabilities, net worth, and financial transactions. Electronic record keeping is permissible. POs should prepare a Standard Operating Procedure (SOP) describing the organization's accounting system and maintain it in a permanent file for reference and audit. As required by AR 210-22, paragraph 3-3, POs must be audited at their own expense every two (2) years and upon any change of treasurer.

A PO must maintain a financial ledger, journal, or book of accounts and supporting documents. These financial documents should include column headings that show income and disbursements of the PO. The ledger should be a permanent page record book or printed record from a computer program. All financial records should be marked to identify each financial year, and will start at the beginning of the PO's fiscal year, or immediately following an audit. Once initiated, the ledger will not be altered in any manner (for example, pages will not be removed). Business transactions made by the PO will be entered in the ledger as soon as they occur. The ledger must agree with the PO checkbook balance and reconciled bank statements at the close of each month's business (and before regular board meetings). Financial ledgers, supporting documents, audit reports and financial records must be kept on file for at least four calendar years and are subject to review by the approval authority.

The single-entry cash system may be used to make entries in the ledger, journal, or book of accounts. Under this system, income (cash or check) is considered earned at the time it is collected. Expenses are considered incurred at the time cash or checks are disbursed. Appropriate entries will be made in ink. Corrections need to be initialed. Periodic financial statements should be prepared from information in the financial records.

At a minimum, a welfare account and an administrative account should be considered. The welfare account should be used for charitable activities. The administrative account must be used for operational and administrative transactions of the PO. Checking accounts may be maintained with military banking facilities or a host nation bank.

POs that conduct any fundraising events should have the event finances reviewed by an appointed PO member who holds no office in the PO. The review will ensure all income and expenses have been accurately documented. The auditor or audit committee (of three members) must send a written report of audit results to the PO President. The PO President will sign the audit and the audit must be submitted along with the Request for Renewal packet.

Collection sheets, canceled checks (or carbon copies of checks), vouchers, or receipts should support financial transactions involving the receipt or disbursement of funds. Invoices and other related documents also should be included in the receipt and disbursement voucher file.

A voucher should be prepared each time money is deposited in the bank or a check is issued for an expense. One series of voucher numbers should be used for disbursement vouchers and a different series for recording receipts. Accounting entries should include the voucher number. The voucher should state the date the information is posted to the ledger and must be dated and signed. The bank deposit slip should be attached to the voucher when that entry is recorded. Similarly, an invoice or statement from the member or vendor will be attached to prove payment. Invoices or other related documents should be included in the receipt and disbursement voucher file. Receipts should be issued for cash received. The amount will be recorded in the accounting records and the cash will be deposited in the PO bank account as soon as possible. Cash received should not be used to pay expenses before being deposited. Disbursements, other than small miscellaneous expenses, should be made using pre-numbered checks. If a Petty Cash Fund is authorized, it should be authorized in the PO Bylaws.

Each PO should prepare an annual budget in the same format as the financial statement. The actual results of each financial statement should be compared with the budget goals. Differences should be analyzed so the PO can assess its operation in comparison to its budget.

Other records needed to support the accounting of the PO books:

1. A checkbook
2. Canceled checks
3. Bank deposit slips
4. Approved meeting minutes
5. Monthly bank reconciliation statements
6. Financial statements
7. Previous audits
8. Bank statements

The treasurer should prepare and submit a treasurer's financial report to the governing body at least once a quarter. These reports should be prepared from the information in the POs ledger. This report should be discussed at PO meetings. The minutes should indicate whether the board, the members, or both, accept it. The treasurer should prepare the financial statements.

The PO should keep the original of the quarterly financial statement in a permanent file. Minutes of board meetings should show that the financial statement was reviewed, voted on, and accepted by the governing body. Meeting minutes should be included in the treasurers' records. In the event of no meeting having been held, a memorandum reflecting such must be included. A signed copy of the financial statement should be given to the approval authority.

Bank statements should be reconciled each month. The reconciled statement should match the recorded balance in the ledger and the balance of the checkbook. The balance for the end of the month must match the treasurer's financial statement balance. The bank reconciliation statement may be completed on the back of the bank statement or on a separate form.

Voided checks should be recorded in the check register and the financial ledger, and retained in a check-retained copy file for two audits. The signature space, whether signed or unsigned, should be cut away and destroyed.

Fixed-asset records:

The property in possession of the PO should be controlled and reviewed periodically. The person responsible for control and review should prepare a fixed-asset (property) record according to the Constitution and Bylaws. Non-expendable property acquired by the PO should be maintained on a property record from the time it is acquired until disposal through sale, donation, or salvage. A separate property record should be maintained that lists the property belonging to the PO.

Instructions for preparing a fixed-asset record:

1. Name of PO
2. Date: Enter the date prepared
3. Date of acquisition
4. Description of the item
5. Quantity: Indicate the number of items on hand
6. Unit price
7. Total: Enter the total value of like items (across the columns)
8. Total amount
9. Printed signature block and signature of preparer: Enter the name of the person who prepared the record and have them sign over their signature block

PRIVATE ORGANIZATIONS - AUDIT INSTRUCTIONS

The auditor, or when authorized, the audit committee will perform the following duties:

1. Review the Financial Standard Operating Procedure of the PO.
2. A thorough check to ensure that all transactions are recorded and properly documented and accounts concurrently posted. This verifies the audit trail.
3. An inventory of PO owned property.
4. Verification that the quarterly financial statements are accurate and are issued to the approval authority as required.
5. An accounting of all cash on hand, reconciliation of bank statements, check of accounts receivable, and reconciliation of accounts payable and other liabilities.
6. A review of the minutes of meetings. Minutes of board meetings should show that the financial statement was reviewed, voted on, and accepted by the governing body
7. The PO President will provide the approval authority a copy of the audit. (See Appendix, Sample VIII for Audit Cover Letter)
8. If the decision is made to use a Certified Auditor who meets the qualifications stated in AR 210-22, 22 October 2001, page 13 in the Glossary. The Stuttgart Legal Office has defined a Certified Auditor as a Certified Public Accountant licensed by a State in the United States of America, who will conduct the audit in accordance with generally acceptable accounting principals. The report must include a copy of the auditor's current certification by the relevant State authority. Any auditor not meeting the qualifications will be adjudged by the Staff Judge Advocate (SJA) on an individual basis.

Any POs with annual total combined deposits in excess of \$50,000 must use a Qualified Auditor to perform their audit. A copy of the auditor's license must be submitted with the audit paperwork.

If, during an audit, deficiencies in accounting methods or funds control is noted, the Garrison Commander may either suspend the PO's Approval to Operate or may only approve a one year renewal.

PRIVATE ORGANIZATIONS - DISSOLUTION INSTRUCTIONS

The rules for dissolution of a PO are defined in Article VIII of the PO's Constitution. The orderly dissolution of a PO needs to be considered well in advance if membership becomes very low. A requirement for dissolution is a terminal audit. The audit of POs using single entry accounting allows the audit be done by three members who are not officers of the PO. If the PO lacks that number, then the audit needs to be done by a Commercial auditor. Complete documentation of the decision to dissolve and the steps followed during the dissolution can assist if the decision to dissolve is controversial.

Documenting these steps is critical:

1. A message was sent to all PO members announcing the meeting where dissolution of the PO will be discussed and voted on.
2. Attendance at the meeting and whether the number of attendees was sufficient to constitute a quorum.
3. Minutes indicating decisions were made on how and when the disposal of PO assets will be accomplished; how the terminal audit is done; and then that a motion to dissolve the PO was made and passed. The minutes should indicate the outcome of votes on each of these motions.

After all steps in the dissolution are completed, the PO President needs to provide the PO Coordinator:

1. A dated and signed statement of dissolution of the PO with the meeting minutes.
2. A copy of the receipt(s) issued by the organization to which the residual assets were transferred.
3. A copy of the bank statement showing the zero balance.
4. A copy of the complete terminal audit, to include any fixed assets and their disposition.

If a PO does not submit proper dissolution documentation and they do not turn in any paperwork to request a Renewal for Approval to Operate by their expiration date, the PO Coordinator will notify the Garrison Commander. The Garrison Commander has the authority to immediately terminate any agreement for space authorization and may dispose of any property located in the POs previously authorized space.

PRIVATE ORGANIZATIONS – INITIAL APPROVAL TO OPERATE INSTRUCTIONS

1. Requests for approval to operate a Private Organization in USAG Stuttgart must be submitted in writing. It is recommended that POs check with the PO Coordinator to ensure that the name chosen is legally acceptable and not already in use prior to obtaining bonding and liability. Approval to operate is generally granted for two years. It may be withdrawn at any time if the PO does not comply with the requirements set forth in this document or at the Commander's discretion. 1. Requests for approval to renew a Private Organization on a USAG Stuttgart installation will be submitted in writing.
2. Applications for renewal (every two years) must be sent at least 90 days prior to expiration date. Any revalidation request submitted less than 90 days prior to the expiration must first receive a written Late Submission Waiver from the USAG Stuttgart Garrison Commander (See Appendix, Form 1) submitted through the PO Coordinator. Once the waiver has been approved, the PO must submit the completed packet at once to the PO Coordinator. The Renewal Packet will include the following:
 - a. A memorandum requesting renewal to operate as a PO. (See Appendix, Sample V).

3. Completed paperwork can be submitted in person to the PO Coordinator located on Panzer Kaserne, Building 2915, 2nd Floor, room 231. If submitting physical documents, do NOT turn in original documents. They will not be returned to you. If you prefer to submit the documents via email, send them to usarmy.stuttgart.imcom.mbx.private-org@mail.mil. Due to file size, you may have to send multiple files. Ensure you label each file separately with the following naming convention: PO name_renewal letter or PO name_enclosure_1_Bylaws_and_constitution.

4. If a local PO is an affiliated chapter of a nationally approved PO, a copy of the national Constitution, Bylaws, Charter, or Articles of Agreement must be attached to the request for approval to operate or to the request for bi-annual renewal if there have been changes during the last two years. If no changes have been made, these copies need not be included with the renewal request, but a statement indicating no change has occurred.

5. Approval to operate is generally granted for two years. It may be withdrawn at any time if the PO does not comply with the requirements of the current regulations, if it discriminates in membership on the basis of race, color, creed, sex, age, disability, or national origin, if it fails to comply with the Standard Operating Procedures set forth in this document, or at the Commander's discretion.

3. Completed paperwork can be submitted in person to the PO Coordinator located on Panzer Kaserne, Building 2915, 2nd Floor, room 231. 4. The PO Coordinator will send out a reminder email during the month of December with a reminder email mid-December and at the beginning of January. Any organization that fails to comply with the annual reporting requirements will lose its Approval to Operate on February 28th of that year.

PRIVATE ORGANIZATIONS – FUNDRAISING/ DONATION INSTRUCTIONS

Guidelines concerning external fundraising or donation drive procedures are as follows:

1. Complete Fundraiser/Donation Drive Request signed by a PO Representative (See Appendix, Sample VI)
2. Regular fundraiser or donation drive requests must be submitted to the PO Coordinator at least 30 days prior to the event, or 30 days prior to any advertising or pre-event ticket sales. The event should not be advertised in any way until the organization has received approval for their event. If the PO is unable to meet the 30 day timeline they can submit a late waiver request indicating why the request could not be turned in on time (See Appendix, Form 2). Only one late waiver request will be accepted per PO, per fiscal year, based on guidance provided by the Garrison Commander. At no time will a request be granted if the event date is less than 10 days away.
3. Fundraisers approvals may take up to 30 days to approve once final paperwork is submitted. Plan accordingly.
4. Fundraisers needing any form of logistical support, such as space, equipment, etc., will require all documents to be submitted at least 60 calendar days prior to event date.
5. Fundraisers that will be conducted at any Exchange location, Family and MWR, DeCA, DODEA facility or the Panzer Firehouse, must have a facility use approval letter signed by the facility manager or school principal.
6. Fundraising is allowed per AR 210-22 on an occasional basis. USAG Stuttgart is defining occasional as not exceeding a total of two fundraising events per quarter. Requests that cover a continuous period of time will be seen as one event. If specific, individual, or recurring dates are cited, each date will be counted as a single fundraising event.
7. IAW AER 210-22, youth and school group organizations formed and operated in conjunction with the Department of Defense Dependents Schools (DODDS), under the administrative supervision of a DODDS faculty or staff member, who participate in DODDS events or activities on school grounds and during school activities, can receive approval to fundraise from the school principal. As long as everything is contained within school grounds, the fundraiser request and approval does not have to go through the PO Program Coordinator. If these entities want to hold a fundraiser on any other property, it must be submitted for approval to the PO Coordinator. The Garrison Commander has granted an exception to the above limit of two fundraisers per quarter for those types of organizations.

8. Fundraiser After Action reports (AARs) no longer have to be submitted!
9. To reduce paperwork and streamline the approval process, POs are encouraged to combine fundraiser requests of a similar nature, i.e. brat burn, bake sale, etc., on a single fundraiser request. Date, times and venues must be clearly defined. If there are conflicts with dates, time or venues, they can be identified and alternative choices taken prior to any other action being taken.
10. All contact with people approaching a site where fundraising is occurring must be of a respectful nature. No aggressive soliciting or hindering of patrons will occur at any time. Care should be taken to avoid the appearance that the Chain of Command is encouraging participation.
11. Fundraising at the Family and MWR Kelley Barracks Carwash will be approved under these conditions: 1) no soliciting at all of patrons desiring to wash their own cars, 2) two wash bays and a vacuum cleaner must be available for public use at all times during the entire fundraising event. For environmental reasons, the Kelley Car Wash is the only approved location for this type of fundraising event.
12. For fundraising events involving sales of prepared food, personnel participating in the fundraising event must be trained in Food Handling Procedures provided by the Preventative Medicine Department, Environmental Health, Landstuhl Regional Medical Center. At least two adults (18 or older) with current training must be listed on the fundraiser request and at least one adult with documented training must be on site handling the food items at all times. Their Food Handler's training must have occurred within the last twelve months prior to the event. Non-Compliance with this requirement will, when found during spot checks, result in immediate shut down of fundraiser, suspension of PO activities and disapproval of further fundraising events until trained personnel can be provided. Fundraiser Requests submitted for dates after a food handler's certification has expired will not be processed.
13. For special fundraisers with potential hazards, i.e. runs and other races, the approval authority reserves the right to determine the necessity and benefit to the Community.
14. Fundraisers taking place on a duty day, during duty hours require a statement in the Fundraiser Request, as to how that duty time will be covered, i.e. Donate a Lunch Hour, Leave or Pass (Passes cannot be authorized specifically for the purpose of fundraising.) or, in the case of civilians, flexing their time.
