PRIVATE ORGANIZATIONS - REGULATION SUMMARY

POs are self-sustaining, Non-Federal Entities that operate on installations only with the written consent of an authorized approval authority. The membership may determine specific functions and expenditures in compliance with governing regulations.

POs are not official organizations of the U.S. Government and are not entitled to any privileges granted to Non-Appropriated Fund activities. Neither DA nor IMCOM-Europe or USAG Stuttgart will assume any liability for PO actions and/or debts. Members may be held personally liable in accordance with applicable host nation laws. DoD personnel acting in an official capacity may neither influence nor require any PO to support specific activities.

Neither Service-Members nor civilian employees will be assigned to work for POs as an official duty. PO members act exclusively outside the scope of any official position they occupy in the U.S. Government or its instrumentalities. POs may neither duplicate nor compete with any Army or Non-Appropriated Fund programs.

The operation of a PO primarily as a business venture solely to obtain savings by group purchases, or to increase the wealth of the PO or its members is not permitted except for authorized investment clubs.

The following regulations establish policy, procedures, and responsibilities for the operation of POs on Department of the Army (DA) installations in IMCOM-Europe and their fundraising activities:

Army in Europe and Africa Regulation (AEA) 210-22, Private Organizations: Private Organizations and Fundraising Policy, 4 April 2022.

PRIVATE ORGANIZATIONS - APPROVAL AUTHORITY

Requests from Private Organizations (POs) for approval to operate in the U.S. Army Garrison Stuttgart (USAG Stuttgart) installation must be submitted in writing according to AR 210-22, AEA 210-22 and the samples provided in this PO Handbook.

In all U.S. Army Garrisons, there is one individual who has the duty of oversight for the POs in that community. In USAG Stuttgart, the PO Coordinator is Rebeca Ogden whom can be reached via email: usarmy.stuttgart.imcom.mbx.private-org@army.mil, or by phone at DSN: 314-596-2622 or CIV: 09641-70-596-2622.

A PO wishing to operate in the USAG Stuttgart area will normally be granted approval by the Garrison Commander for two years. Military banking privileges may be granted only after a PO has received the approval to operate. The Garrison Commander can withdraw the approval at any time, should the PO fail to comply with all published requirements.

Complete requests for renewal will be submitted through the PO Coordinator at least 90 days before the expiration date of the current authorization in order to provide adequate time to process the renewal packet. The PO Coordinator has been instructed not to accept any paperwork from the PO until the full packet is ready for submission. The PO will keep a copy of the entire approved packet in a permanent file for audit purposes.

If a PO does not submit the complete renewal packet at least 90 days prior to the expiration date, a late waiver request (see Appendix, Form 1) must be submitted to the Garrison Commander through the PO Coordinator. The waiver must specifically state why the PO was not able to meet this imposed deadline. Once the late waiver is returned, if it is approved, the PO Coordinator will begin to process the packet for approval.

If a PO does not get their Approval to Operate approved prior to their expiration date, the Garrison Commander may revoke any approved PO space. If that happens, the PO must clear any occupied space within 14 days of notification. Any items found in spaces after 14 days will be removed and disposed of IAW DoD and Army guidelines on unclaimed property.

PRIVATE ORGANIZATIONS - PRIVILEGES AND SERVICES

Banking Privileges:

Once a PO has been approved to operate, the PO Coordinator for USAG Stuttgart will provide letter of authorization for POs to present to the bank so that a bank account at the military banking facility can be opened.

Postal Support:

AEA 210-22, approved POs may use postal services to send correspondence and parcels in accordance with DoD 4525.6-M, paragraph AP1.3.18, and USEUCOM Command Guidance 8710.05. The POs must discuss postal services with their local postal authorities to determine their overall eligibility and applicability of any other Service-specific regulations.

Approved POs may use the Intra-theater Delivery Service (IDS) within the provisions of DoD 4525.6-M, paragraph AP1.3.18, and USEUCOM Command Guidance 8710.05 10-4, paragraph 7b. The IDS is a service of the Armed Forces. It is not a service of the United States Postal Service (USPS).

Approved POs may use the IDS if all of the following apply:

- a. The CG, USAREUR-AF, with the concurrence of the Military Postal Service Agency, determines that local civil postal service is inadequate.
- b. Existing military postal service (MPS) facilities and personnel are able to support such use.
- c. The HN does not object.

The IDS authorization includes no-cost delivery of correspondence weighing 13 ounces or less and parcels weighing 70 pounds or less when the item is sent from one APO address to another within USEUCOM. It does not extend to items originating from or terminating in the continental United States. The IDS may not be used for business or commercial purposes or for transactions involving items for resale.

POs will print, type, or stamp "PO" in the upper-right corner on correspondence and parcels.

POs are not authorized to use official Government mail items or services.

POs may not use the USPS (APO).

Logistical Support and Services:

May be provided in accordance with applicable regulations and at the discretion of the Garrison Commander. If desired, PO's can submit a Space Assignment Request (see Form 4) through the PO Coordinator, to the Garrison Commander, requesting to be assigned space within the Garrison for use by the PO.

IAW IMCOM-Europe Policy Letter #9 and AEA 210-22, approved POs are separated into four tiers:

- a. Tier I consists of POs for which Federal law directs or encourages the DoD and military services to provide nonreimbursable logistical facility support. For those POs, facility support will be provided on a nonreimbursable basis.
- b. Tier II consists of POs for which discretionary nonreimbursable support is authorized, but not required by Federal statute, and for which such support is also authorized by the DoD Joint Ethics Regulation.
- c. Tier III consists of POs for which space or facility support should be on a reimbursable basis unless the extent of the use is so negligible that it would be cost-prohibitive for the garrison to charge for utilities and other costs. Where cost effective, facility support provided to these POs is expected to be on a reimbursable basis, unless and until an exception to current DoD policy is approved at the appropriate level.
- d. Tier IV lists POs for which no dedicated space or facility support is currently provided.

Tax-Free Purchasing:

AEA 210-22, Section II, paragraph 10(e), tax-free purchasing is governed by AEA Regulation 215-6, and is generally not permitted for POs.

Direct Coordination:

Except as authorized by PO Coordinator, POs will not coordinate directly with Garrison elements for support. POs may not accept support from a Garrison element unless approved in advance by the Garrison Commander.

PROHIBITED ACTIONS

Use of Government Resources:

POs will not use DoD Services. This includes legal, audit, transportation, official government mail, printing, information management activities, clerical, financial, copying, management and procurement services.

Alcohol:

AEA 210-22, Section III, paragraph 11(d), “prohibits POs from engaging in the distribution or sale of alcoholic beverages at any time.” POs cannot profit or raise funds from selling alcohol. Total event fees cannot include alcohol sales in any capacity.

PRIVATE ORGANIZATIONS - MEMBERSHIP ELIGIBILITY

To qualify for approval as a PO in the European theater, more than 50% of the PO members must have SOFA status. Individuals with SOFA status include U.S. and sending States’ military and civilian personnel, their accompanying dependent Family members, and employees with status under Article 71, 72, or 73 of the Supplementary Agreement to the NATO Status of Forces Agreement (SOFA).

POs must always have an active membership category.

The president or the vice president of the PO must have SOFA status. POs must have a treasurer who is an elected officer or who serves as a member of its governing board. The treasurer cannot also be the president or vice president of the PO. The treasurer must be an active member and must have SOFA status if the PO has an account with a military banking facility.

No person because of race, religion, color, creed, sex, age, disability, or national origin shall be unlawfully denied membership, unlawfully excluded from participation, or otherwise subjected to unlawful discrimination by any PO.

Approval can be granted by the Garrison Commander for the operation of certain POs that restrict membership to one sex, when one or more of subparagraphs (a) through (c) below apply. (Examples include women’s/men’s sport clubs, women’s/men’s civic associations, and boy/girl scouting organizations).

- a. The PO’s purpose is philanthropic and, by tradition, its membership has been of one sex.
- b. PO’s purpose is to benefit one sex and its membership is composed of that sex.
- c. The PO has a specific purpose and function that restricts membership of one sex, but also has a counterpart organization with the same purpose and function.

PRIVATE ORGANIZATIONS - FILING ESSENTIALS

Each PO maintains a permanent file that contains the following documents:

1. A copy of Approval to Operate letter, signed by the Garrison Commander.
2. The last four years of financial records and audit reports, including corrective audit responses.
3. Meeting minutes for the last two years.
4. A copy of AR 210-22 and AEA 210-22, AR 600-29, DoD 5500.07-R and USAG Stuttgart Policy Letter #12.
5. A copy of the organization's current Constitution, Bylaws or other chartering documentation, signed by the PO president and secretary to include any amendments or revisions.
6. A copy of the organization's current general liability and fidelity bonding policy.
7. A copy of the organization's approval (MoU and/or License to Use USAG Stuttgart Facilities) to use real property (whichever are applicable).
8. Standard Operating Procedures (SOPs) for the organization's accounting system.
9. A copy of the current bank account letter of authorization issued by the USAG Stuttgart.
10. A current list of executive board members, to include their names, position titles, complete APO or mailing addresses, private phone numbers, private non-DoD or official PO email addresses, and indicating Yes/No if each board member maintains SOFA status.
11. Scouting Organizations – a current list of the leadership members and their Youth Protection Training certificates and a copy of DoD Instructions 1015.09, 19 January 2016.
12. A copy of the Youth Protection Training certificates for all executive board members or leadership members who supervise youth for all Youth-Oriented Private Organizations, including Parent-Teacher Associations, if minors participate in their fundraisers (IAW PO Policy Letter #12).

PRIVATE ORGANIZATIONS FIDELITY BONDING AND GENERAL LIABILITY INSURANCE

POs will provide proof, prior to approval or renewal, of general liability insurance and, if applicable, fidelity bonding.

All POs will obtain general liability insurance, regardless of the amount of yearly income. General liability insurance coverage must be obtained from a commercial firm and at the expense of the PO. The coverage must be adequate for protection against public liability claims, property damage claims, or other legal actions arising from PO activities. The coverage must protect from claims against PO members acting on behalf of the PO, or the operation of any equipment, apparatus, or device under the control and responsibility of the PO. A copy of the liability insurance must be submitted to the approval authority.

Fidelity bonding will be purchased by an organization for members or employees handling monthly cash flow exceeding \$500. The level of fidelity bonding will be equal to the normal maximum amount of cash handled, so it is sufficient to provide full protection of assets. POs must purchase fidelity bonding from a commercial firm at their own expense. A copy of the fidelity bonding must be submitted to the approval authority. (AR 210-22, Chapter 5, paragraph 5-2)

In those circumstances where a PO is provided either Liability or Bonding insurance by a parent organization, the proof of insurance documentation must, 1) identify by name the local PO being insured, and 2) provide all other insurance information that is applicable.

PRIVATE ORGANIZATIONS SPECIAL GUIDELINES FOR SCOUTING ORGANIZATIONS

Boy Scouts and Girl Scouts are approved to operate in Europe via Memorandum of Understanding (MOU) entered into pursuant to authority from DoD, EUCOM, and IMCOM-Europe.

AEA 210-22, the Garrison Commander no longer has authority to approve and renew Scouting Organizations at the local level. The Garrison Commander still has the authority to approve meeting space, storage space, on-post activities, fundraiser requests or any other installation-level support at a local installation level.

Scouting organizations must still, however, meet annual reporting requirements to operate at USAG Stuttgart by submitting the following:

- A list of leadership members to include their names, position titles, complete APO or mailing addresses, private telephone numbers, private, non-DoD or official PO email addresses, and indicating Yes/No if each leadership member maintains SOFA status.
- A copy of the biennial Scout Youth Protection Training certificates for each leader
*A copy of the Aging Report is not a sufficient form of verification.
- Proof of liability and bonding insurance
- Space Assignment/Renewal Request (if needed)
- The License to Use USAG Stuttgart Facilities
- Provide a copy of your most recent bank statement for renewal of your bank authorization letter
- Signed, MOU for assigned space lease

USAG Stuttgart has determined these documents will be sent to the PO Coordinator from each PO during the month of January each year. The final due date for all documents is January 31, see USAG Stuttgart Policy Letter #12. Scouting Organizations that fail to meet these annual reporting requirements will be suspended from operating locally until they have complied with the provisions set out above.

Beyond these guidelines, Scouting Organizations will operate based on rules and guidelines pertained in the PO Handbook and in the Policy Letter #12 signed by the Garrison Commander, which includes provisions for fundraising within the USAG Stuttgart footprint.

PRIVATE ORGANIZATIONS SPECIAL GUIDELINES FOR DoDEA-AFFILIATED ORGANIZATIONS

According to AR 210-22, paragraph 2-4a(2), POs operating as bona fide extensions of Appropriated Fund or Non-Appropriated Fund recreational or educational activities are not required to seek or receive written approval to operate. They are, however, subject to the other provisions of AR 210-22.

The following organizations or activities are exemplary of such groups:

Organizations formed and operated in conjunction with the Department of Defense Education Activity (DoDEA) that operate on U.S. Forces installations under the administrative supervision of a DoDEA faculty or staff member, and participate in DoDEA events and activities (for example, sporting events, plays, fairs, key clubs, honor societies).

DoDEA-affiliated organizations must still, however, meet annual reporting requirements to operate at USAG Stuttgart by submitting the following:

- A list of executive board members to include their names, position titles, complete APO or mailing addresses, private telephone numbers, private, non-DoD or official PO email addresses, and indicating Yes/No if each executive board member maintains SOFA status.
- A copy of the biennial Youth Protection Training certificate for each board member. *A copy of the Aging Report is not a sufficient form of verification.
- Proof of liability and bonding insurance
- License to Use USAG Stuttgart Facilities
- Provide a copy of your most recent bank statement for renewal of your bank authorization memorandum

USAG Stuttgart has determined these documents will be sent to the PO Coordinator from each PO during the month of January each year. The final due date for all documents is January 31, see USAG Stuttgart Policy Letter #12. DoDEA-affiliated organizations that fail to meet these annual reporting requirements will be suspended from operating locally until they have complied with the provisions set out above.

Beyond these guidelines, DoDEA-affiliated organizations will operate based on rules and guidelines pertained in the PO Handbook and in the Policy Letter #12 signed by the Garrison Commander, which includes provisions for fundraising within the USAG Stuttgart footprint.

PRIVATE ORGANIZATIONS - ACCOUNTING INSTRUCTIONS

POs need to maintain adequate, accurate accounting records on assets, liabilities, net worth, and financial transactions. Electronic record keeping is permissible. POs should prepare a Standard Operating Procedure (SOP) describing the organization's accounting system and maintain it in a permanent file for reference and audit.

A PO must maintain a financial ledger, journal, or book of accounts and supporting documents. These financial documents should include column headings that show income and disbursements of the PO. The ledger should be a permanent page record book or printed record from a computer program. All financial records should be marked to identify each financial year, and will start at the beginning of the PO's fiscal year, or immediately following an audit. Once initiated, the ledger will not be altered in any manner (for example, pages will not be removed). Business transactions made by the PO will be entered in the ledger as soon as they occur. The ledger must agree with the PO checkbook balance and reconciled financial statements (bank statements) at the close of each month's business (and before regular board meetings). Financial ledgers, supporting documents, audit reports and financial records must be kept on file for at least four calendar years and are subject to review by the approval authority.

A single-entry or a double-entry accounting system may be used (see Section "Audit Instructions" for specific audit procedures for each system).

The single-entry accounting system is a method of bookkeeping in which each transaction is recorded as a single-entry in a journal. This is a cash-based bookkeeping method that tracks incoming and outgoing cash in a journal. Under this system, income (cash or check) is considered earned at the time it is collected. Expenses are considered incurred at the time cash or checks are disbursed. Appropriate entries will be made in ink. Corrections need to be initialed. Periodic financial reviews should be prepared from information in the financial records.

Double entry accounting system is a method of recording transactions where for every business transaction, an entry is recorded in at least two accounts as a debit or credit. In a double-entry system, the amounts recorded as debits must be equal to the amounts recorded as credits.

Checking accounts may be maintained with military banking facilities or a host nation bank. At a minimum, a welfare account and an administrative account should be considered. The welfare account should be used for charitable activities. The administrative account must be used for operational and administrative transactions of the PO.

POs that conduct any fundraising events should have the event finances reviewed by an appointed PO member who holds no office in the PO. The review will ensure all income and expenses have been accurately documented.

Collection sheets, canceled checks (carbon copies of checks), vouchers, or receipts should support financial transactions involving the receipt or disbursement of funds. Invoices and other related documents also should be included in the receipt and disbursement voucher file.

A voucher should be prepared each time money is deposited in the bank or a check is issued for an expense. One series of voucher numbers should be used for disbursement vouchers and a different series for recording receipts. Accounting entries should include the voucher number. The voucher should state the date the information is posted to the ledger and must be dated and signed. The bank deposit slip should be attached to the voucher when that entry is recorded. Similarly, an invoice or statement from the member or vendor will be attached to prove payment. Invoices or other related documents should be included in the receipt and disbursement voucher file.

Receipts should be issued for cash received. The amount will be recorded in the accounting records and the cash will be deposited in the PO bank account as soon as possible. Cash received should not be used to pay expenses before being deposited. Disbursements, other than small miscellaneous expenses, should be made using pre-numbered checks. If a Petty Cash Fund is authorized, it should be authorized in the PO Bylaws.

Other records needed to support the accounting of the PO books:

1. A checkbook
2. Canceled checks
3. Bank deposit slips
4. Monthly bank reconciliation statements
5. Financial reviews
6. Previous audits
7. Financial statements (Bank statements)

The treasurer should prepare and submit a treasurer's financial report to the governing body at least once a quarter. These reports should be prepared from the information in the POs ledger. The PO should keep the original of the quarterly financial report in a permanent file.

Bank statements should be reconciled each month. The reconciled statement should match the recorded balance in the ledger and the balance of the checkbook. The balance for the end of the month must match the treasurer's financial report balance. The bank reconciliation may be completed on the back of the bank statement or on a separate form.

Voided checks should be recorded in the check register and the financial ledger for each audit. The signature space, whether signed or unsigned, should be cut away and destroyed.

Fixed-asset records:

The property in possession of the PO should be controlled and reviewed periodically. The person responsible for control and review should prepare a fixed-asset (property) record. Non-expendable property acquired by the PO should be maintained on a property record from the time it is acquired until disposal through sale, donation, or salvage. A separate property record should be maintained that lists the property belonging to the PO.

Instructions for preparing a fixed-asset record:

1. Name of PO
2. Date: Enter the date prepared
3. Date of acquisition
4. Description of the item
5. Quantity: Indicate the number of items on hand
6. Unit price
7. Total: Enter the total value of like items (across the columns)
8. Total amount
9. Printed signature block and signature of preparer: Enter the name of the person who prepared the record and have them sign over their signature block

PRIVATE ORGANIZATIONS - AUDIT INSTRUCTIONS

The auditor, or when authorized, the audit committee will perform the following duties:

1. Review the Financial Standard Operating Procedure of the PO.
2. A thorough check to ensure all transactions are recorded, properly documented, and accounts concurrently posted. This verifies the audit trail.
3. An inventory of PO owned property.
4. Verification that the financial statements (bank statements) are accurate and are issued to the approval authority as required.
5. An accounting of all cash on hand, reconciliation of bank statements, check of accounts receivable, and reconciliation of accounts payable and other liabilities.
6. The PO president will provide the approval authority a copy of the audit (see Appendix, Sample VIII for Audit Cover Letter).

As required by AR 210-22, Chapter 5, paragraph 5-3, POs must be audited at their own expense at least once every two (2) years. Upon change of PO treasurer, an audit will be conducted regardless of the time elapsed since the last audit.

The auditor or audit committee (of three members who hold no office within the organization) must sign and send a written report of audit results to the PO president. The PO president will also sign the audit and the audit must be submitted with the Request for Renewal packet.

If, during an audit, deficiencies in accounting methods or funds control are noted, the Garrison Commander may either suspend the PO's Approval to Operate or may only approve a one-year renewal.

Please note that according to AR 210-22, Chapter 5, paragraph 5-3:

1. POs with gross annual revenue (deposits) of \$1,000 or less do not have to conduct an audit.
2. Organizations with financial statements audited annually by their national headquarters may submit a copy of such an audit rather than applying the following provisions:
 - a. POs using a double-entry accounting system will have audits done by a qualified auditor (a public accountant or certified public accountant licensed by a State or other recognized licensing jurisdiction).
 - b. POs using a single-entry accounting system are audited as follows:

- (1) If a PO generates income only from contributions, dues, and assessments, audits may be conducted by either a PO member who holds no office or by a qualified auditor.
- (2) If a PO engages in resale or other fundraising activities, the audit is performed by either an appointed committee of three members who hold no office, or by a qualified auditor.

USAG Stuttgart Policy Letter #12, any POs with annual total combined deposits in excess of \$100,000 must use a Qualified Auditor (a public accountant or certified public accountant licensed by a State or other recognized licensing jurisdiction) to perform their audit. If the PO has difficulty finding a Qualified Auditor or if the PO prefers not to incur that expense, they may complete and submit the following to the PO Coordinator as an alternative option:

- a. An Audit Cover Letter (see Appendix, Sample VIII in the PO Handbook) signed by the PO president and three members who hold no office.
- b. A Summary of Income and Expenses (see Appendix, Sample IX in the PO Handbook) for each account based on bank statements during the audit period. The Summary of Income and Expenses must be signed by the PO president and three members who hold no office.
- c. A Check Register (a list of all deposits and expenses) for each account. The list for each account must be signed by the PO president and three members who hold no office. The list will contain the name of the recipient organization, purpose of payment, date payment was made, and dollar/euro amount.

PRIVATE ORGANIZATIONS – DISSOLUTION INSTRUCTIONS

AEA 210-22, Section II, paragraph 4(f), the PO members, the installation commander; the Director, IMCOM-Europe; or the Commanding General, USAREUR, may discontinue the operation of a PO on U.S. Forces installations in the European theater.

Notification by either party will be in writing. On termination, commands may require written agreements that any abandoned PO assets will be considered a donation to the installation. The installation commander has final approval over their disposition. It should be clearly understood that the installation commander has the absolute discretion to determine whether the PO's continued operation is compatible with the Army's interest. The installation commander may withdraw PO's permission to operate on the Army installation at any time.

If the organization is dissolved, all funds in the treasury at the time will be used to meet any outstanding debts, liabilities, or obligations. Upon dissolution of the organization, all material and real assets remaining after payment of all liabilities will be donated.

The Garrison PO Coordinator will be notified of the dissolution. Notice will include:

- a. A statement of dissolution dated and signed by the PO president, indicating the organization to which the dissolved organization's residual assets were transferred.
- b. A copy of the bank statement showing a zero balance.

If a PO does not submit proper dissolution documentation and they do not turn in any paperwork to request a Renewal for Approval to Operate by their expiration date, the PO Coordinator will notify the Garrison Commander. The Garrison Commander has the authority to immediately terminate any agreement for space authorization and may dispose of any property located in the POs previously authorized space.

PRIVATE ORGANIZATIONS – INITIAL APPROVAL TO OPERATE INSTRUCTIONS

1. Requests for approval to operate a PO in USAG Stuttgart must be submitted in writing. It is recommended that POs check with the PO Coordinator to ensure that the name chosen is legally acceptable and not already in use prior to obtaining bonding and liability. Approval to operate is generally granted for two years. It may be withdrawn at any time if the PO does not comply with the requirements set forth in this document or at the Garrison Commander's discretion. The PO Coordinator has been instructed not to accept any paperwork from the PO until the full packet is ready for submission.
2. First applications for approval must include the following:
 - a. A signed memorandum requesting approval to operate as a PO. (See Appendix, Sample IV)
 - b. A copy of the current PO Constitution and Bylaws or other chartering documentation, signed by the proper board members. (See Appendix, Sample II). POs must use the template provided and must ensure all sections and statements are provided.
 - c. If the PO is affiliated with a national, regional, or state organization, evidence of affiliation must be attached to the request for approval to operate. See PO Handbook, Section "Membership Eligibility" on rules concerning executive officers.
 - e. Proof of liability insurance and bonding, or a statement from a parent organization indicating that its policy includes coverage for both liability and fidelity bonding (if applicable) covering the local organization.
 - f. A copy of the Youth Protection Training certificates for all adult leadership and members who supervise youth for all Youth-Oriented Private Organizations, including Parent-Teacher Associations (if minors participate in their fundraisers).

 - h. A copy of the License to Use USAG Stuttgart Facilities Form (See Appendix, Form 6), signed by a representative of the PO.
 - i. If PO is requesting space allocation, submit a request (See Appendix, Form 4), signed by a representative from the PO.
3. Documents can be submitted via email to usarmy.stuttgart.imcom.mbx.private-org@army.mil. Due to file size, you may have to send multiple files. Ensure you label each file separately with the following naming convention: PO name_renewal letter or PO name_enclosure_1_Bylaws_and_Constitution.
4. Upon approval, the PO must submit a Memorandum indicating the location of the PO bank account(s) and the account number(s) and the list of executive board members with contact information, if not submitted with the initial packet.

PRIVATE ORGANIZATIONS - BIENNIAL RENEWAL INSTRUCTIONS

1. Requests for approval to renew a Private Organization on a USAG Stuttgart installation will be submitted in writing.
2. Applications for renewal (every two years) must be sent at least 90 days prior to expiration date. Any revalidation request submitted less than 90 days prior to the expiration must include a written Late Submission Waiver for the USAG Stuttgart Garrison Commander's approval (See Appendix, Form 1) submitted through the PO Coordinator. The PO must submit the Late Submission waver with the completed packet at once to the PO Coordinator.
3. The Renewal Packet will include the following:
 - a. A signed memorandum requesting renewal to operate as a PO. (See Appendix, Sample V).
 - b. A copy of the approval document if approval to operate was granted previously.
 - c. One copy of the current PO Constitution and Bylaws, or other authorization document. If no changes have occurred, the PO must state this fact in the letter of request for renewal. 5. Approval to operate is generally granted for two years. It may be withdrawn at any time if the PO does not comply with the requirements of the current regulations, if it discriminates in membership on the basis of race, color, creed, sex, age, disability, or national origin, if it fails to comply with the Standard Operating Procedures set forth in this document, or at the Garrison Commander's discretion.

PRIVATE ORGANIZATIONS - ANNUAL REPORTING REQUIREMENTS

1. AEA 210-22, Section II, paragraph 4(c), in addition to information required when approval is requested, approved POs must supply the following documents annually:

3. Documents can be submitted via email to usarmy.stuttgart.imcom.mbx.private-org@army.mil. Due to file size, you may have to send multiple files. Ensure you label each file separately with the following naming convention: PO name_insurance expiration Dec 2022.

Any organization that fails to comply with the annual reporting requirements will lose its Approval to Operate on the last day of February of that year.

PRIVATE ORGANIZATIONS – FUNDRAISING/ DONATION INSTRUCTIONS

Guidelines concerning external fundraising or donation drive procedures are as follows:

1. Complete Fundraiser/Donation Drive Request signed by a PO representative (See Appendix, Sample VI).
2. Regular fundraiser or donation drive requests must be submitted to the PO Coordinator at least 30 days prior to the event, or 30 days prior to any advertising or pre-event ticket sales. The event should not be advertised in any way until the organization has received approval for their event. If the PO is unable to meet the 30 day timeline they can submit a late waiver request indicating why the request could not be turned in on time (See Appendix, Form 2). Only one late waiver request will be accepted per PO, per fiscal year, based on guidance provided by the Garrison Commander. At no time will a request be granted if the event date is less than 10 days away.
3. Fundraiser approvals may take up to 30 days to approve once final paperwork is submitted. Plan accordingly.
4. Fundraisers needing any form of logistical support, such as space, equipment, etc., will require all documents to be submitted at least 60 calendar days prior to event date.
5. Fundraisers that will be conducted at any Exchange location, Family and MWR, DeCA, DoDEA facility, or the Panzer Firehouse, must have a facility use approval letter signed by the facility manager or school principal. See PO Handbook, Section “Approved Fundraising Locations” for the list of approved fundraising locations at USAG Stuttgart.
6. Fundraising is allowed per AR 210-22 on an occasional basis. USAG Stuttgart is defining occasional as not exceeding a total of eight fundraising requests submitted in one fiscal year. Requests that cover a continuous period of time will be seen as one event or include multiple dates/locations and all with the same fundraiser concept, will be considered as one event.
7. Fundraising activities in support of Garrison special events will not count towards the allotted number of request submissions per fiscal year.
8. AEA 210-22, youth and school group organizations formed and operated in conjunction with the Department of Defense Dependents Schools (DODDS), under the administrative supervision of a DODDS faculty or staff member, who participate in DODDS events or activities on school grounds and during school activities, can receive approval to fundraise from the school principal. As long as everything is

contained within school grounds, the fundraiser request and approval does not have to go through the PO Coordinator. If these entities want to hold a fundraiser on any other property within the Garrison, it must be submitted for approval to the PO Coordinator. The Garrison Commander has granted an exception to the above limit of five fundraising request submissions per fiscal year for those types of organizations.

9. To reduce paperwork and streamline the approval process, POs are encouraged to combine fundraiser requests of a similar nature, i.e. brat burn, bake sale, etc., on a single fundraiser request. Date, times, and venues must be clearly defined. If there are conflicts with dates, time or venues, they can be identified and alternative choices taken prior to any other action being taken.
10. All contact with people approaching a site where fundraising is occurring must be of a respectful nature. No aggressive soliciting or hindering of patrons will occur at any time.
11. Care should be taken to avoid the appearance that the Chain of Command is encouraging participation.
12. Fundraising at the Family and MWR Kelley Barracks Car Wash will be approved under these conditions: 1) no soliciting, at all, of patrons desiring to wash their own cars, 2) two wash bays and a vacuum cleaner must be available for public use at all times during the entire fundraising event. For environmental reasons, the Kelley Car Wash is the only approved location for this type of fundraising event.
13. For fundraising events involving sales of prepared food, personnel participating in the fundraising event must be trained in food handling procedures provided by the Preventative Medicine Department, Environmental Health, Landstuhl Regional Medical Center. The online Food Handler Certification Course is available at <https://mhs-europe.tricare.mil/Clinics/Vicenza-Army-Health-Clinic/Preventive-Medicine/Food-Handlers-Course>

At least two adults (18 or older) with current training must be listed on the fundraiser request and at least one adult with documented training must be on site handling the food items at all times. Their Food Handler's training must have occurred within the last twelve months prior to the event. Non-compliance with this requirement will, when found during spot checks, result in immediate shut down of fundraiser, suspension of PO activities and disapproval of further fundraising events until trained personnel can be provided. Fundraiser Requests submitted for dates after a food handler's certification has expired will not be processed.

14. For special fundraisers with potential hazards, e.g. runs and other races, the approval authority reserves the right to determine the necessity and benefit to the community.
15. Fundraisers taking place during the duty day, require a statement in the Fundraiser Request, as to members participating in the fundraiser may or may not be DoD

employees or service members and will not be acting in any official duty capacity. These members will be acting on a volunteer basis only.

16. Failure to comply with these fundraising guidelines and conducting unauthorized fundraising events and activities without written approval, will result in the following:
 - a. First offense will result in a three-month suspension from any fundraising activities and events.
 - b. Second offense will result in a six-month suspension from any fundraising activities and events.
 - c. Third offense will result in a twelve-month suspension from any fundraising activities and events.
 - d. The term period of the aforementioned offenses is restricted to the PO's current, 2-year approval to operate. Blatant/willful violations may result in a recommendation to revoke the PO's approval to operate.

Guidelines concerning raffles and fundraising games are as follows:

1. Raffles, bingo and wheels of fortune are permitted means of fundraising so long as the game does not require a buy-in. A PO may not conduct games of chance where the chance of winning requires participants to pay for a chance to win. Slot-machines, roulette wheels, and other gambling devices are not permitted. AR 215-1, Section II, paragraph 8-12(f), states that POs may conduct bingo games in FMWR facilities under provisions of DOD 5500.07-R. When so authorized, the PO will operate the games, including card sales, cash control, and prizes. The FMWR program bingo caller may call games, subject to reimbursement by the PO to the FMWR program. POs will adhere to management controls applicable to bingo operated by the FMWR programs. All other fundraising games will be reviewed on a case-by-case basis. Bingo cards may not be sold, nor can someone increase their chances of winning by donating or paying money.
2. POs must submit a detailed description of how the raffle or fundraising game will be conducted (game rules) in addition to the Fundraiser Request.
3. POs may conduct raffles and approved fundraising games only at designated locations on the USAG Stuttgart installations (see Section "Approved Fundraising Locations"). Raffles and fundraising games may not take place in the Federal workplace. The Federal workplace includes areas in the immediate vicinity of Federal employees performing official duties.
4. Fundraising games listed in this section is limited to individuals who have status under the Status of Forces Agreement (SOFA) and are 18 years of age or older.
5. Raffle and fundraising game tickets may not be resold or given to other than eligible individuals.

6. The maximum number of tickets for sale should be stated on the raffle tickets.
7. POs may not engage in any practice that involves compulsion, coercion or other activities that are contrary to voluntary participation or giving.
8. POs and volunteers may publicize raffles and fundraising games, sell tickets and conduct fundraising activities if:
 - a. They are not in uniform;
 - b. They only engage in such activities outside their normal duty hours (i.e. during breaks, during their designated lunch hour or before or after the duty day);
 - c. Not at the workplace;
 - d. They do not solicit subordinates.
9. POs may raffle off items donated by other non-federal entities (NFEs) and may print the name of the donating NFE on the raffle tickets, but POs may not otherwise advertise, promote or recognize the donating NFE.
10. POs may not name the donating NFE on promotional materials or displays for the raffle. All promotional items for the raffle or fundraising event must incorporate a disclaimer stating that the Army does not endorse the PO or the donating NFE.
11. POs may not re-sell or raffle off Exchange merchandise, Defense Commissary Agency merchandise, items imported through the Army Post Office or Military Postal System or items purchased tax-free using a Value-Added Tax form. POs may use Intratheater Delivery System or MPS, subject to the restrictions outlined in AEA 210-22.
12. POs may not use Government information systems (e.g. computer systems, email, etc.) to support their raffle or fundraising activities.
