COVID Golf Rules

You may play Golf only if you have been fully vaccinated, recovered from Covid-19 or have a negative PCR test no older than 48 hours. Please keep proof of either of these ready and on your person in case required.

Please have your proof of vaccination ready when arriving at the golf course as the German authorities require these in order for you to play golf and use the rest of the facility.

COVID Clubhouse Rules:

1. The clubhouse/lockers/restaurant may only be accessed by vaccinated patrons, patrons that have recovered from Covid-19 (6 months) or have a negative PCR test no older than 48 hours.
2. Masks must be worn over nose and mouth at all times while inside the building, to include the pro shop and foyer.
3. **Maintain proper social distancing/spacing at all times.**

Tee Time Policy

Call 07141-879151 or 07141-879150 to book your tee time. If using a newer iphone we recommend using 879150 due to technical issues.

Tee times are only required on weekends. Back 9 starts are available until approximately 0900-0915, for 9 holes only. Tee times start at 0800 but may be delayed by frost or fog.

Check-in Procedures:

1. Check off next to your name or add your name at the check in table.
2. Proceed to the range or putting green and arrive 5 min. prior to your tee-time at the first tee.
3. All green fees and or cart fees must be paid in the pro shop before you tee off.

On weekdays players may add their name at the check-in table to any free tee time slot on the list when they arrive. For non-members, green fees must be paid before adding your name to the list. You must add your full name to the tee-sheet or you will not be allowed to start your round of Golf.

Singles and twosomes may be paired with other golfers if demand requires. Player that have added their name to the list or ask to join your group may not be refused unless you already have 4 players in your flight.

U.S. ID has priority for tee-time call-in, with 2-weeks in advance to book. GCN has 5 days in advance to book, so please call at least 6 days advance to ensure you have a tee-time.

***Please be aware that frost may cause opening delays. Any tee time that was scheduled more than 1 hour prior to the course opening will be lost. This is necessary to ensure times that are booked in the afternoon can finish play before dark.**

Driving range and practice greens are open unless being maintained or frost and ice require them to be closed. No pre-booking is required for the practice area.
