

As of Thursday, 28 May the Stuttgart Golf Course will offer 4-somes with 18-hole tee times.

We are taking tee times for 28 May as of 22 May.

As of 28 May we will expand our tee time offerings to 0830 - 1800 (weekdays) and 0730-1800 (weekends/holidays).

The last 18-hole tee time is 1554 as everyone must be off the course by 2015.

You MUST HAVE A TEE TIME to play golf, there is no walk-on business allowed.

The U.S military community has a dedicated phone line for tee times: 07141-879150, and can also use the 07141-879151 number - which has two lines. Please be reminded, our partner the Golf Club Neckartal, is using the 151 number from 0900-1300 every day to book their tee time four days in advance.

It is highly recommended that you call 7 days in advance to guarantee yourself a tee time. Calling 5 or 6 days in advance still puts you in front of the large GCN membership.

Please use the 07141-879151 WHATSAPP number to make cancelation or changes, if possible.

Further Tee Time Info:

1. You must give us all of the names in your group when calling in. If you have less than 4 players that's fine, but we may pair you with a single or 2-somes if the need arises.
2. You may not request to play as a 2-some only - due to demand for play we must pair you.
3. You may arrive no earlier than 30 minutes before your tee time. After check-in with the screener you must immediately go to the range, then be on the main putting green within 15 minutes of your tee time. Then to the waiting area at least 5 minutes before you time. No need to check in with the starter when you are "in the box".

Driving Range Info:

1. Purchase a range-card by calling the pro shop: 20-punch (\$30) or 40-punch (\$50) or 80-punch card for \$90. We'll have the card ready for you at the screener station.
NOTE: Do not forget to BRING YOUR OWN BAG to collect range balls from the dispenser - we no longer have range baskets available for use due to cross-contamination issues.

2. Range reservations can be made on [CALENDLY.COM/DRIVING-RANGE-SGC](https://calendly.com/driving-range-sgc)

Golf Car Info:

1. Starting 28 May, we're renting golf cars on a limited basis; 5 per weekday (plus disabled) and 15-20 on weekends. The quarantine time, along with disinfecting, washing and overnight charging will inhibit us from being at full capacity.
2. You should reserve a car when calling for your tee time. No more than 2 cars per foursome.

Rental Club Info:

1. We are renting sets of clubs on a monthly basis, at \$25 per month
2. We cannot rent daily sets due to contamination issues, but we can make exceptions on a case-by-case basis.

Please remember to practice proper social distancing at all times, wear a mask inside the building and use the hand sanitizers spread throughout the facility.

The pro shop is closed for regular business. We prefer to do all business over the phone. We'll charge your credit card for your green fees, golf cars, and memberships, as soon as we are able and not always before you play.
