MULTIPLE ENTREES

The use of color codes on luncheons and dinners where multiple entrees are ordered will expedite service and ensure each guest receives what they ordered. We will work with the POC/ you by providing suggestions on the number of entrée offerings and a color code for each entrée. The use of colored nametags, place cards or tickets helps the servers distinguish what entrée to serve each guest. When a function has a meat and a vegetarian meal the wait staff must be able to see clearly which meal is for which guest. These cards are to be displayed on the tables at each seat. The catering office can make some suggestions to decide the best way to display your choices. Customers are allowed to select up to 2 entrees including the vegetarian. If customer requests two or more entrées to be served there will be a \$1.00 fee accessed for each meal served. Nevertheless, the club recommends combination plates, to ease planning for the POC and expedite service.

SERVING TIME

We pride ourselves in meeting the serving time listed on your contract. For seated functions, we request your guests to be seated 5-10 minutes prior to the actual serving time. If for any reason, you need to delay the serving time, please advise the caterer as soon as possible to ensure quality taste and eye appeal of your meal. For meal requests other than normal operating hours, special pricing may apply. Management will work with you to identify those charges in advance and, if applicable, will clearly indicate the charges on your contract. Staying within a 10minute window, will best guarantee food quality. We have a service charge of 15% FOR FOOD, which is INCLUDED in the per person catering price menu.
