"Whether you are a seasoned thespian or a beginning wall flower looking to boost your confidence, there's a place for you here! For anyone with an interest in the performing arts, this class will provide a safe space to explore personal expression and discover more about performing arts. Students love for themselves, their community and the theatre will flourish as they learn theatrical terms, audition tips and get a chance to practice their skills.

The performing arts provide children with a fun and unique way of expressing their emotions, connecting with their peers, and building their confidence all while learning

to be part of a team.

Ms Valeri's love for theatre spans from acting on stage, to designing costumes and wigs to helping on the production side. She has had a hand in many productions in the Stuttgart theatre community as well as in the States over the past several years.
