Historical Note

The Swabian Special Event Center is one of the post's original buildings. Built as an Officer's club outside the kaserne's original fence, the club features a ball-room, dining room and a terrace for the orchestra. The kitchen was on the second floor and three jail cells in the cellar are still there today! It is believed that these cells would be used for those officers who broke military regulations, although there is no evidence they were ever really used for that purpose.

Your Time for R&R

Social Hour

After your event at Swabian Special Events Center, you will be welcome to use the Swabian bar for a social hour to include beverages and catering.

Vaihingen

When the day is done and it's time to explore, enjoy downtown Vaihingen! Vaihingen is only a five-minute driving distance from Patch Barracks (home of Swabian Event Center), and offers you delicious dining experiences, bars to socialize, retail shopping centers and larger shopping mall.

Stuttgart City

Downtown Stuttgart offers more accommodations on a grander scale (approximately 15 minute driving distance). Enjoy a classic beer garden, or try a traditional brau haus!

USAG Stuttgart Golf Course

Built in 1956, the championship course sits on 300 acres of tree-lined, gently rolling hills. The well-designed course features generously wide fairways, large bent grass greens, and a gentle, rolling hills terrain played through hundreds of old trees and farmland.

Historic Walking Tour

For all of the history buffs, a brief history of Patch Barracks has been curated by USEUCOM Command Historian Mr. William M. Butler. The tour begins in front of the garrison parade ground flag poles and walks you through WWII events, the mystery around the missing Buffalo Statue, a Berlin Wall memorial, and more.
